THE WINSTON

HOUSE DESCRIPTION

3 Bedrooms • 2 Baths • 2 Car Garage • 1,825 Heated Sq. Ft. • Optional Bonus Room

If you're trying to get the best of both worlds, the Winston may be the house for you. With the master suite and upstairs bedroom on one side of the house, and the third bedroom and office/study on the other, this plan works well for the busy family. The dining room sits across the hall from the study, offering two rich and formal rooms to encounter upon entering the house. The opposite end of the dining room flows into the spacious great room which looks out into the patio/sunroom and beyond to the backyard. If versatility and luxury have seemed impossible to find together, look no further - the Winston has it all!
